

RADIOGRAPHER - TAMWORTH PRACTICE

Castlereagh Imaging Tamworth is part of the Hunter Imaging Group and Sonic Healthcare family of companies and is the premiere provider of comprehensive diagnostic imaging services to Tamworth and surrounding regions, offering General X-Ray, CT, MRI, Ultrasound, Vascular Ultrasound, Nuclear Medicine, BMD & Mammography.

Due to continued growth, we currently have an opportunity for a full time, qualified Radiographer to join our team.

First-class general X-ray skills are essential, with the ability to perform Mammography, BMD, CT &/or MRI being well regarded, though not essential. This opportunity would be ideal for somebody looking to build upon their modality experience, in our busy, multi-modality practice.

By joining us you will become a valued member of the team with access to highly competitive remuneration and leave entitlements and the opportunity to work within a flexible, family friendly environment which nurtures ongoing professional development. Patient well-being is our highest priority.

Are you looking for:

- A role to fit your lifestyle;
- Great, friendly atmosphere;
- A supportive team of experienced professionals, including highly skilled Radiologists on-site;
- Opportunity to operate state of the art equipment;
- Professional development support and training;
- Above award rates

We have all that and more.

What are we looking for from you?

- A strong work ethic;
- A high level of both verbal communication and listening skills;
- Demonstrated commitment to excellence in patient care;
- A positive and team focused attitude;
- A dedication to Continuous Improvement;
- Current AHPRA Registration;
- Ability to work autonomously and collaboratively within a team environment;
- A capacity to be flexible to do what is necessary to make the branch a success.
